About the CEI

The Compliance & Ethics Institute is the primary education and networking event for professionals working in the Compliance and Ethics profession across all industries around the world. This conference features 155+ speakers, 100+ sessions, numerous networking events, and a full-day investigations workshop. The CEI offers eight learning tracks—Risk, Ethics, Compliance Lawyer, IT Compliance, Case Studies, Hot Topics/General Compliance, the International/Multi-National Track, and Advanced Discussion Groups.

The sessions offered at the Compliance & Ethics Institute not only identify the challenges, but they also point to solutions that can help create more effective compliance and ethics programs. Use this link for more information: www.complianceethicsinstitute.org.

About the SCCE

The Society of Corporate Compliance and Ethics (SCCE), established in 2004, is headquartered in Minneapolis, MN. SCCE is a non-profit professional member association that serves more than 5,500 compliance and ethics professionals globally. The association provides resources and training to compliance professionals and champions ethical practices and compliance standards. Visit the SCCE website at www.corporatecompliance.org.
