

SCCE's 17th Annual Compliance & Ethics Institute: CLE Approvals By State

The SCCE submitted sessions deemed eligible for general CLE credits and legal ethics CLE credits to most states with CLE requirements and processes; exceptions are noted below. CLE credits are awarded based on individual attendance records and state CLE rules. **Please note that approvals will vary as each state may have different requirements, rules, and regulations:**

- Not every state calculates CLE credits based on the clock hour.
- Not every state will grant general CLE credits for all sessions submitted by the SCCE.
- Not every state will grant legal ethics CLE credits for all sessions submitted by the SCCE.
